U.S.D.J.

The preliminary injunction hearing is in its early stage. I have heard the testimony of one witness and reviewed the moving and opposing papers previously submitted. At this juncture, the plaintiff has not yet shown a likelihood of success on the merits of, thus, the application for a temporary restraining order is DENIED. If HSN and defendant elect to proceed on February 1, 2011 with product launch, the Court retains sufficient authority to fashion a remedy (e.g. enjoining shipments) in the event I ultimately conclude that an injunction is warranted.
